The Loft Artists Association is hosting a new member exhibit titled, “Artifacts” in the Loft Gallery at 575 Pacific Street from Saturday, March 26 through Sunday, May 1, 2022, with an Opening Reception on Saturday, March 26, from 4-6 PM. “This exhibit will feature assemblage, still life and artifacts out-of-the-box.” Director, Mark Macrides stated. “Our artists are always pushing themselves to innovate and look at traditional art forms and styles in unique and unusual ways.” This exhibit will push the boundaries of how we typically define the concept of still life and present new styles, forms, and images to stimulate the viewers imagination. Expect to see a wide variety of interpretations of this theme and to leave with a new idea of the words still life.

Founded in 1978, The Loft Artists Association is a nonprofit organization dedicated to providing artists with a supportive environment and opportunities to exhibit their work in professional galleries. The LAA reaches out to the community at large with education and artistic expression, as well as collaborative projects. Events at the galleries and studios have attracted thousands of visitors throughout the tristate area, garnering city and state funding agencies, as well as corporate and private sponsors. The LAA’s educational mission includes workshops and classes, artistic demonstrations, and many opportunities for the community to see the creative process firsthand. This exhibit is partially funded by the Stamford Arts and Culture Grant and the CT Humanities Cultural Fund Operating Support Grant.

The gallery is open Saturdays and Sundays from 1:00 to 4:00 p.m. admission is free. For directions and more information visit [loftartists.org](http://loftartists.org).
