The Loft Artists Association is hosting its fifth annual member/guest show, “**Bring A Friend to the LAA**” in the Galleries at 575 Pacific Street from October 14 through November, 5 2023, with an Opening Reception on Saturday, October 14, from 4-6 p.m.

“Building upon the success of our previous exhibits, this show will give Loft Artist members another opportunity to invite non-member artist friends to exhibit alongside them as part of this collaborative show” Executive Director, Mark Macrides stated. “We’re excited to enhance the organization with exceptional artists. Our membership is aware of talented artists throughout the region, and we hope to invite as many as possible to join this exhibit.” While the show will have no overall common theme, each member/guest team will develop their own theme and their work will be presented side by side. This year’s exhibit will again give the opportunity for LAA members to invite two guests to participate in the exhibit. This is an exciting opportunity to showcase the work of collaborative teams of artists working together to create unique work!

The Loft Artists Association is a nonprofit organization dedicated to providing artists with a supportive environment and opportunities to exhibit our work, while reaching out to the community at large with education and artistic expression, as well as collaborative projects. Since 1978, our grassroots events have attracted thousands of visitors throughout the tristate area. The LAA is widely recognized by city and state funding agencies, as well as corporate and private sponsors. **This exhibit is partially funded by the Stamford Arts and Culture Grant and the CT Humanities Cultural Fund Operating Support Grant.**

The gallery is open Saturdays and Sundays from 1:00 to 4:00 p.m. Admission and parking are free. Handicapped access is available by request only. For directions and more information visit loftartists.org.
