Darien Nature Center, 120 Brookside Road, Darien CT

The Loft Artists Association is pleased to announce an exhibit at the Darien Nature Center titled, “Nature in new England” from September 12 through November 2, 2022, with an Opening Reception on Wednesday, September 28, from 6:30-8 p.m.

“Building upon our local partnerships, we’re excited to have this opportunity to exhibit at the Darien Nature Center” Executive Director, Mark Macrides stated. “The exhibit space is beautiful, and our artists have been busy all summer creating work around the theme of nature in New England.” This theme has allowed our artists to reach deep into their wells of talent and share through painting, drawing, mixed media, photography, and sculpture very creative and unique interpretations of the theme. Colorful birch trees, beautiful flowers, graceful birds, and weathered wood combine to bring the essence of natural New England into the space. This is an exciting opportunity to showcase Loft Artist’s work in a setting filled with the inspiration of the natural world.

The Loft Artists Association is a nonprofit organization dedicated to providing artists with a supportive environment and opportunities to exhibit our work, while reaching out to the community at large with education and artistic expression, as well as collaborative projects. Since 1978, our grassroots events have attracted thousands of visitors throughout the tristate area. The LAA is widely recognized by city and state funding agencies, as well as corporate and private sponsors. **This exhibit is partially funded by the Stamford Arts and Culture Grant and the CT Humanities Cultural Fund Operating Support Grant.**

The Darien Nature Center is open Monday – Friday 10:00 a.m. – 3:30 p.m. and Saturday 9:00 a.m. – 1:00 p.m. Admission and parking are free. For directions and more information visit loftartists.org or darienaturecenter.org
